

THE ART OF LANDSCAPE KNITTING ERRATA

Page no.	Errata
6	In the 'Following the Charts' section, the reference should say ' (see Tips & Techniques: Knit Below) '.
110	All the numbers on the bottom row of the chart should say ' 1 '.
136	In the abbreviations list, the references for k4b, k5b, and k6b should say ' (See Special Stitches) '
137	In the 'Casting On' section, the fourth paragraph should begin: 'To make the third and remaining stitches, insert the needle between the first and second stitches (D)...'
139	The first subheading should be 'Knit below' with the following text underneath: <i>This technique is referred to as 'knit x below' (k4b, k5b, k6b) in the patterns, where the 'x' indicates the number of rows to drop the stitch down".</i> Also, first paragraph under 'Pick up and knit' should read: <i>"With the right-side facing, insert the right-hand needle into the knitting where you wish to create a stitch (G). Pull a loop of yarn through (H) on to the right-hand needle. Repeat the stitch as many times as required.</i>
140	In the Blocking section, the third sentence should read: <i>You can block either by soaking the item, or by using a cool / warm iron.</i>
